

CONFERENCE UPDATE

5.27.2020

Blessings ARM Family and Friends,

After seeking the Lord and counsel from the Conference Design Team, Board of Directors we believe the Lord would have us continue moving forward towards hosting the Aldersgate Conference, July 8-11, 2020. The hosting format will be a Virtual Event. Limited leadership will be live at a venue and broadcast out over the internet. We will also be changing the flow for the event to make it possible for folks to participate whether you have joined us in the past or this will be your first time.

The registration will be free to attend the event but we ask all to register at <https://aldersgateconference.org/register>. This way we can keep the participants up to date with information.

FAQ's

- What do you mean by Virtual Event? We will host the Aldersgate Conference over the internet via live stream. Which means you can participate by watching on your computers or mobile devices.
- What do you mean by changing the conference flow? The flow will be as follows...
 - Wednesday - Saturday night 6:45pm - 9:15pm
 - We will have worship, teaching, prayer and interactions.
- Why is the registration free? The leadership believes this is a great opportunity for folk that have always wanted to attend an Aldersgate Event but couldn't have that opportunity, as well as an evangelical tool. After the conference we will provide an opportunity to purchase the talks. We will also be providing opportunities for participants to give in the way of offerings.
- Can we host this event at our church or home? Yes, we are encouraging churches, individuals and youth groups to host the event with watch parties at their church or in their homes. If you would like to do so, please let Jennifer Peat know at jpeat@aldersgaterenewal.org. She will share info with you and what is needed to do so.

What about Youth, Young Adults, Children?

- Youth & Young Adults
 - There are plans for a virtual Gate Event as well as a virtual Young Adult event. More information to be released soon.
- Children
 - We have some exciting plans in place for your elementary children to still have a Gate Kids experience at home! Unfortunately, we will not be able to provide an experience for our nursery/preschool children.

I hope this helps you in your prayers and planning for the conference. I would ask your continued prayers as we navigate through this incredible opportunity to see God reveal Himself in new and marvelous ways.

Thank you for your continued love and support for the ministry of ARM.

Blessings,
Mark Barrow
Executive Director
